RYCOM RECEIVES COUNTRY AWARD AS SOLUTION INNOVATION PARTNER OF THE YEAR FOR CANADA AT CISCO PARTNER SUMMIT SAN FRANCISCO 2016

Toronto, Ontario, December 2, 2016 – RYCOM Corporation today announced that it has received a Cisco® Partner Summit Country award for Solution Innovation Partner of the Year for Canada. Cisco announced the winners during its annual partner conference that took place in San Francisco, California, in early November.

Awarded to exemplary channel partners, the Cisco Partner Summit Country awards are designed to recognize best-in-class business practices and serve as a model to the industry within their respective country. Areas of consideration include innovative practices, architecture-led successes, strategic business outcome-focused programs, seizing new opportunities and sales approaches.

“It’s an honour for Cisco to work with some of the best channel partners in Canada to transform the IT landscape that enables customers to differentiate and define their business strategies,” said Mark Collins, VP, Partner Organization for Cisco Canada. “It is my privilege to recognize that the Solution Innovation Partner of the Year has been presented to RYCOM for its outstanding achievement as a Cisco channel partner in Canada.”

“We are very excited to be recognized by Cisco as the Solution Innovation Partner of the Year for Canada,” said Jennifer Sicilia, Vice President and General Manager of RYCOM. “As a long-standing partner of Cisco’s Smart and Connected Building strategy, we are proud to empower the next generation of building owners, operators, and managers to drive savings, enhance tenant engagement and realize their long-term Smart Building strategies using our Smart Technology Platform. We look forward to continuing to strengthen our relationship and collaboration with Cisco in 2017 to further propel our clients to realize new, enhanced business opportunities.”
